

## BizTech Assigns Synergy Resources to Support their Infor ERP Customers

**Business Technical Consulting, LLC (“BizTech”)**, a leading provider of business software products and services, has entered into an agreement with **Synergy Resources (“Synergy”)**, an Infor Gold Partner serving North America, to assign Synergy the sales and services support for BizTech’s Infor ERP customers beginning 04/20/2020.

**Michael Brown, President at BizTech**, *“One of my main objectives in making this decision was to ensure all BizTech customers will continue to be supported now and in the future. I confidently approached Synergy Resources because they have been supporting the Infor VISUAL ERP solution for over 20 years and have a breadth and depth of experience that will provide even greater benefits to our customers. I’ve always thought of Synergy as the model of success for a company with similar goals.”*

**Paul Tedford, CEO at Synergy**, *“We are very pleased to accept this responsibility for BizTech’s customers. Synergy is appropriately staffed and well suited to provide a very high level of service and to deliver the personalized care that customers have come to expect from BizTech. Synergy has been a business partner with Infor since 2006 with over 800 customers and 80 consultants. We welcome the opportunity to provide support and additional value to these customers.”*

BizTech and Synergy are working together to make the transition as smooth as possible.

### ABOUT BIZTECH

BizTech was founded to help its customers get more value from business applications, technology, and networking infrastructure. BizTech took the time to learn about each customer’s unique needs to design solutions to match their exact requirements. To meet the goal of exceeding expectations, BizTech encouraged an environment of individual innovation and quality of service. For over 21 years, BizTech empowered each client to accomplish their mission through technological innovations and operational improvements.
