

AUTOMATED 1099 FORM CREATION & E-FILING WITH INTEGRATION TO INFOR VISUAL

Spend less time filing your 1099s and more time growing your business!

Eliminate trips to the office supply store, the office printer, and the post office. Save time and protect yourself, your employees, and your suppliers with contactless 1099 e-filing for VISUAL powered by Aatrix Complete e-file Service.

Our comprehensive 1099 solution includes:

- Data Connector to Infor VISUAL – review and export 1099 data at the click of a button
- 1099 software will automatically check for issues that would cause rejections/audits
- Elimination of manual form creation – includes the newest 1099-NEC and 1099-MISC
- Automatic & Secure e-filing of 1099 forms (federal and state) for as low as \$0.99 per recipient
- Optional recipient delivery by mail or hosted online

Filing your 1099s is as simple as 1-2-3:

1. Download free Aatrix 1099 software
2. Review and electronically pull data from VISUAL into Aatrix 1099 software
3. Submit your filings through Aatrix (filing fees apply)

Stop spending multiple days completing, reviewing, and filing your 1099 forms. Minimize costs, maintain control, eliminate errors, and reduce time spent by electronically creating 1099 forms and e-filing.

Testimonials for the 1099 form creation, form review, e-file, and delivery service:

“Used to dread year end & 1099s - now I truly look forward to year end and being able to get these done in a timely manner!”

“This was very easy to use for the 1099s. I wish I would’ve tried this earlier because it was such a time saver and worth the small cost. We will definitely be using this product in the future!”

“I have been extremely pleased with the ease & quickness of getting our 1099s done! I wouldn’t use another program.”
