[\(Map and Information Link\)](#)

Meeting Agenda

9:00am – 10:30am Light Breakfast, Registration, Introductions, OINK Business, including ERS

10:30am – 11:30pm - **“Visual Navigation and User Interface – What you need to know”**

--- *Presented by Synergy Resources*

11:45am – 1:00pm Lunch Break & Presentation (Co-Sponsored by Bezlio & Synergy)

“Using Mobility Technology for VISUAL Process Improvement”

Manufacturers and distributors are transitioning their companies to include various forms of support outside of the four walls. Bezlio provides mobile access to VISUAL with a focus on the following teams: field service (including maintenance, repair, and installation); sales teams whom are on the move and need access to ERP data; and shop floor workers to get real-time information on their jobs, track their labor, and move materials. The need to mobilize VISUAL is here and every organization requires solutions that makes these workers more efficient, productive, and valuable.

--- *Presented by Adam Ellis, CEO of Bezlio*

1:00pm – 2:00pm **“Financial Report Writer Window”**

Topics include: Creating a basic Balance Sheet and Explode Options, Modify and Format the report in the report writer, Using Account Groups, Use selective Subtotals/Totals/Grand Totals, Add Percentages to the report, Change the QRP for multi-column report, Rolling Reports

--- *Presented by David Sheriff, CEO of Visual Business Solutions*

2:00pm – 3:00pm **Group Discussion – Open Forum**
